# GATES CREATIONS

## WHO ARE WE?

GATES CREATIONS was born from a ten-year experience in carpentry with a solid knowledge of design and manufacture of elements for the industrial world.

We offer a range of innovative, custom-made aluminum gates and fences, quality gates and fences with perfect finish and easy installation.

Concerned about the environment, GATES CREATIONS fully meets its obligations towards society and operates throughout France and Europe.

The GATES CREATIONS head office is located in the Rhône Alpes Auvergne region, more precisely in Oyonnax in the Plastics Valley.

# YOUR EXTERIOR TO YOUR DESIGN!

Our mission is to offer a range of products: fences, gates, pedestrian gates and railings made to measure, innovative and of quality, while fulfilling our obligations towards society and the environment.

Our products are made of quality and know-how, which is a guarantee of trust for our customers.

## OUR VALUES VISION

INNOVATION	To bring to our customers our experience in the design and realization of locking systems through innovative and quality products.
CUSTOMER VALUE	
CREATIVITY	To be the reference company for customers in France.
EXCELLENCE	Able to deliver its products directly to your home.
INTEGRITY

## VERTICAL DECORS - GATES

### LASERS WIDTH 600 MM

Gates Creations offers a range of laser-cut aluminum slats for gates, pedestrian gates and custom fences with a wide choice of customizable patterns. The laser cut can be more or less openwork depending on the desired design and brings a decorative touch. Our decorated slats are perfectly adjustable to the chosen models and guarantee an aesthetic perfect for all types of gates and fences.

Our decorations are customizable in order to embellish and proportion the degree of privacy desired. Do not hesitate to contact us or send us a sketch to realize your our design office will take care of your project.
