Catalogue 2022-2023

# GATES CREATIONS

## QUI SOMMES NOUS?

GATES CREATIONS est née d'une expérience décennale en menuiserie forte d'une solide connaissance en conception et fabrication d'éléments destinés au monde industriel.

Nous offrons une gamme de portails et clôtures en aluminium sur mesure, innovants, originaux et de qualité avec des finitions parfaites et une grande simplicité de pose.

Soucieuse de l'environnement GATES CREATIONS remplit pleinement ses obligations envers la société et opère sur toute la France mais également en Europe.

Le Siège social de GATES CREATIONS est situé dans la région Rhône Alpes Auvergne, plus précisément à Oyonnax dans la Plastics Vallée.

# VOTRE EXTÉRIEUR À VOTRE DESIGN!

Notre mission est d'offrir une gamme de produits : clôtures, portails, portillons et garde-corps sur mesure innovants et de qualité, tout en remplissant nos obligations envers la société et l'environnement.

Nos produits sont d'une qualité à la hauteur de notre savoir-faire ce qui représente un gage de confiance pour nos clients.

## NOS VALEURS VISION

INNOVATION	Apporter à nos clients notre expérience dans la conception et la réalisation de systèmes de fermeture au travers des produits innovants et de qualité.
VALEUR CLIENT	
CRÉATIVITÉ	Être l'entreprise de référence pour les clients en France.
EXCELLENCE	Capable de livrer ses produits directement chez vous.
INTÉGRITÉ	

# LASERS DÉCORS BASICS Épaisseur 3MM

## DÉCORS VERTICAUX - PORTAILS LASERS LARGEUR DE 600 MM

Gates Créations vous propose une gamme de lames en aluminium découpées au laser pour portails, portillons et clôtures sur mesure avec un grand choix de motifs personnalisables. La découpe laser peut-être plus ou moins ajourée suivant l'habillage désiré et apporte une touche décorative. Nos lames décorées sont parfaitement ajustables aux modèles choisis et garantissent un rendu esthétique selon votre choix, parfaites pour tout type de portails et clôtures.

Nos décors sont personnalisables dans le but d'embellir et de roportionner le degré d'intimité souhaité. N'hésitez pas à nous contacter ou nous envoyer un croquis pour réaliser votre découpe laser, notre bureau d'étude se chargera de votre projet.
